

LIMOUSIN

THE NATURAL GENETIC ADVANTAGE FROM BIRTH TO PLATE

BOOST YOUR HYBRID VIGOUR

Crossbreeding is the beef industry's *only free lunch!*

Maximize your return on investment by taking advantage of hybrid vigour with a Limousin bull.

“ Year after year, we buy Limousin bulls because they give us great calves that we get a premium for. Raising superior calves is why we farm.”

Craig and Lorna Marr | 250 Head Cow/Calf
SILVER RIDGE, MB | 2013 MB COMMERCIAL BREEDER OF THE YEAR

“ We use quiet Limousin bulls for the big beefy calves with great hair and hip. They have been our terminal cross for over 20 years and the calves are vigorous at birth, do well in the feedlot, and have great carcass yield.

Gord Kozroski | 500 Head Black Cow Herd
GULL LAKE, SK | 2013 SK COMMERCIAL BREEDER OF THE YEAR

“ Using Limousin bulls on our black cows gave us calving ease and a cross breeding advantage. Our ranch was able to sell market topping 1000 pound grass yearlings in late July.

Connor Bros. | 700 Head Cow Herd
HANNAH, AB

ATTENTION PRODUCERS

Marketing Limousin influence calves this fall? List them on our website and contact the CLA for marketing assistance!
